

SYDNEY TELSTRA 500 V8 SUPERCARS MOTOR RACE

WEEK THREE 24 – 30 OCTOBER 2011

Works associated with the temporary overlay for the Sydney Telstra 500 continue.

Works will continue along Australia Avenue, however, it will re-open at **6:00am on Saturday** for vehicle use. Traffic management will be in place between Herb Elliott Avenue and Grand Parade allowing the traffic to be contra flowed on the eastern carriage way.

New works will see:

- Concrete Barriers in the Holker Bus way;
- Concrete barriers being placed along Kevin Coombes Avenue and Edwin Flack Avenue;
- Corporate structures being constructed along Dawn Fraser Avenue and Australia Ave; and
- Over track sign on Kevin Coombs Ave.

CLOSURES

- P6f Carpark (next to the Brick Pit Ring) is closed for the remainder of the works.
- Holker Busway will close for a period on Monday 24 October.
- There will be single lane closures on Kevin Coombes Ave and Edwin Flack Ave for the installation of concrete barriers.

Entry to P6 Car Park is now possible from the usual access route off Barnes Rd.

As there will be a great deal of construction and activity on Australia Ave over coming weeks, pedestrians are encouraged to use the footbridge provided across Australia Ave, at Jacaranda Square once opened.

WEEK FOUR 31 – 6 NOVEMBER 2011

New Works will see:

- Concrete barriers will continue to be placed along Edwin Flack Avenue;
- Concrete barriers in Bus Pod B (Edwin Flack Avenue);
- Grandstands and corporate structures being constructed in Australia Avenue

During the each week, there may be the need for additional traffic diversions to be in place throughout the precinct. At all times traffic management wardens will be in place to ensure the smooth passage of traffic.
