

## **Sydney Telstra 500 Race Circuit Update**

Works associated with the temporary overlay for the Sydney Telstra 500 commenced on Monday 19 October.

These works include:

- The construction of grandstands on Australia Avenue and Edwin Flack Avenue (Coach Pod B).
- The placement of concrete barriers and debris fences along Australia Avenue, Kevin Coombs Avenue and Edwin Flack Avenue.
- The construction of pedestrian bridge footings at the intersection of Australia Avenue and New England Avenue, Kevin Coombs Avenue, Olympic Boulevard and Edwin Flack Avenue.

At all times, traffic management wardens will be in place to ensure the smooth passage of traffic.

HMRA will provide a weekly update on all works associated with the event.

## **Circuit Map**

V8 Supercars Australia has released an updated Track Circuit Map attached for your information which can be found overleaf. It should be noted the food and beverage precinct in Dawn Fraser Avenue has been clearly marked as "Eat Street". The Sydney Olympic Park Business Association is working with HMRA to make 'Eat Street' an integral part of the event experience by showcasing its diverse range of food and dining options.

## **Event Parking**

For businesses operating in Parkview Drive and Herb Elliott Avenue, windshield access passes will be distributed by HMRA to ensure that access to existing private parking facilities continues. The windshield passes will allow traffic wardens to screen vehicles

swiftly, reducing potential impacts in the area. All other existing pass holders will be contacted by SOPA about alternative arrangements.

## **Newington Parking Issues**

Measures will be put in place by HMRA to protect residential parking in Newington. These measures will include increased patrols by Auburn City Council Rangers and the NSW Police Force and the placement of Variable Message Signs indicating resident only parking.

## **Expression of Interest**

The Gema Group have been appointed as the Master Caterer for the Sydney Telstra 500 event. They are now calling for expressions of interest for companies or individuals interested in operating catering outlets at the 2009 event. For further information contact Anthony Barbera from the Gema Group at [Anthony@gema.com.au](mailto:Anthony@gema.com.au).

## **Business Briefings**

The second round of the Sydney Telstra 500 Business Briefings was well attended with over 70 businesses from Sydney Olympic Park and surrounding suburbs being represented. The briefing included presentations from representatives of both V8 Supercars Australia and Integrated Event Delivery Management about the event and the works associated with the bump-in of temporary race infrastructure.

## **Be a part of the Sydney Telstra 500**

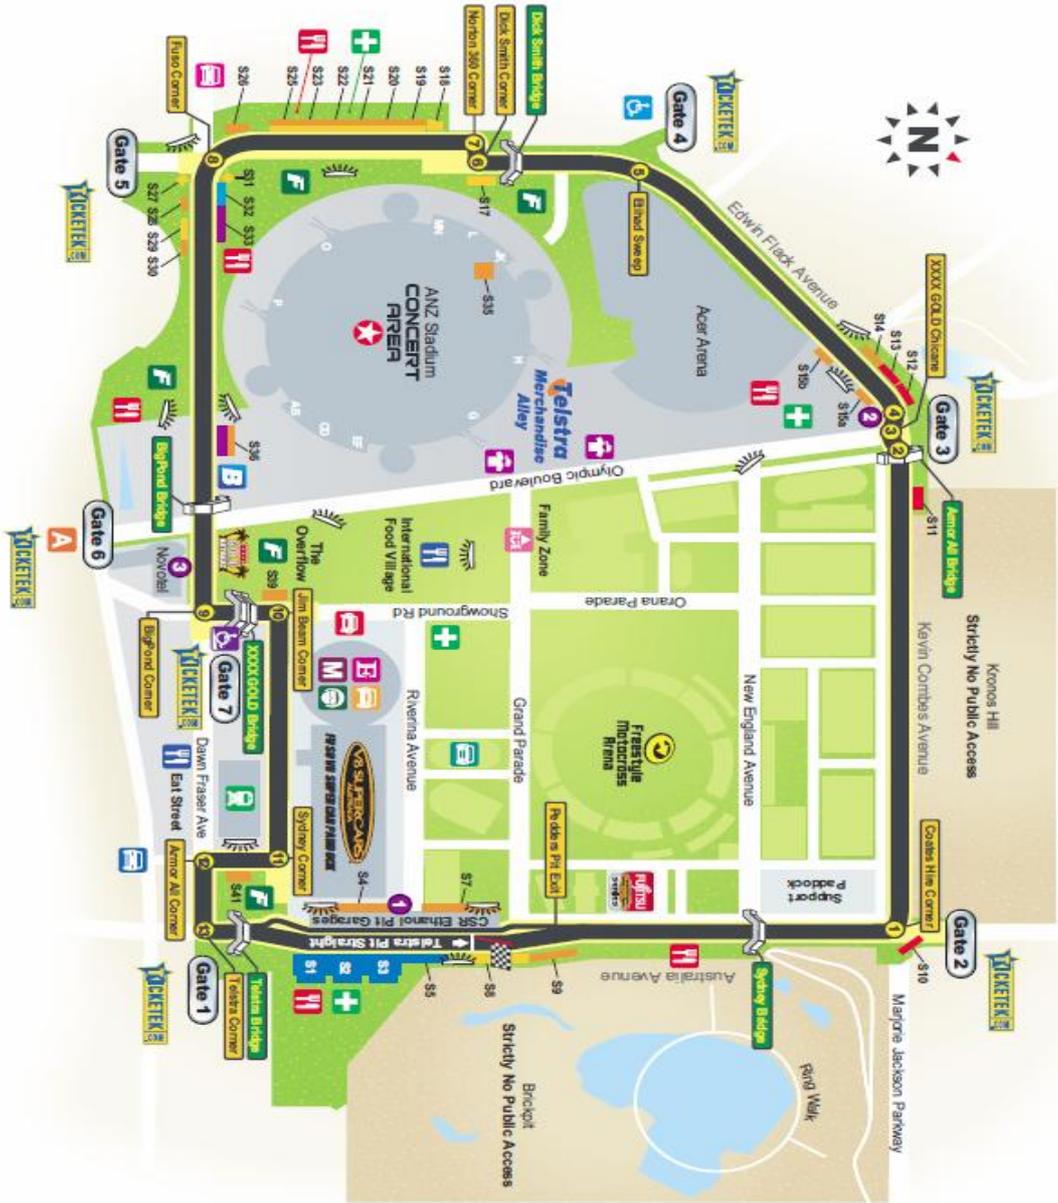

If you are interested in joining in all the action of the Sydney Telstra 500 event as a volunteer, please complete the attached form and send it to:
